

Dayforce Product Documentation

Dayforce Implementation Guide

Version: R2026.1.1

June 1, 2026

Table of contents

1. Overview

1. About the Dayforce Implementation Guide
2. Dayforce Implementation - Overview of the Key Tasks

2. Application Configuration

1. Site Setup

1. Site Setup > Client

1. Set Client Site Properties
2. Choose a Help Collection
3. Client Cultures
4. Add a Logo or Signature
5. Brand the Application

2. System Admin

1. System Admin > Client Properties

1. Enter Contact Information
 1. Add an ROE Issuer or ROE Contact
 2. Configure Multiple ROE Contact Assignments
2. Enter Address Information
3. General
4. Messages
5. Employee
6. Timesheet
7. Time and Attendance
8. Scheduling
9. Multi-Week Calendar
10. Client Properties - Payroll
11. Dayforce Wallet
12. Reporting
13. Benefits
14. Position Management
15. Security
16. UI Modernization
17. Group Members Generation
18. Billing and Support

3. Geographic Locations

1. View Locations

2. Add Cities

4. Configure Clock Entry Validations
5. Encryption Methods

1. [Configure Encryption Methods](#)
 2. [Configure Encryption by Background Job](#)
6. [Export Definitions](#)
 1. [View Export Definitions](#)
 2. [Create an Export Definition](#)
 3. [Audit Information for Export Definitions](#)
 4. [Configure Export Options](#)
 5. [Filter HR Export](#)
7. [AI Assistant Configuration](#)
 1. [Configure Disclaimers for AI Assistant](#)
 2. [Configure Messages for AI Assistant](#)
 3. [Configure Content Settings for AI Assistant](#)
8. [Configure Disclaimers](#)
9. [Configure Exchange Rates](#)
10. [Localization](#)
 1. [Localize Data](#)
 2. [Show Localization Keys](#)
 3. [Localize Labels](#)
 4. [Localize Notifications](#)
11. [Cross-Reference Codes](#)
 1. [Cross-Reference Codes](#)
 2. [System-Defined Cross-Reference Codes](#)
3. [Security Configuration](#)
 1. [User Roles](#)
 1. [Configure User Roles](#)
 2. [Role Features](#)
 1. [Assign Role Features](#)
 2. [Order the Features](#)
 3. [Configure Role Feature Parameters](#)
 4. [Configure the Weeks Ahead Value](#)
 3. [Migrate Role Configurations](#)
 1. [Export Role Configurations](#)
 2. [Import Role Configurations](#)
 4. [Configure Favorite Features](#)
 5. [Configure User Role Authorizations](#)
 6. [Define New Hire Role Assignment Access](#)
 7. [Create Custom Login Algorithms](#)
 8. [Password Policies](#)
 1. [Add Password Policies](#)
 2. [Password Policy Parameters](#)
 3. [Reorder Password Policies](#)
 9. [Two-Factor Authentication](#)

1. [Duo Security Overview](#)
2. [Set Up Duo Security Accounts](#)
3. [Create the Dayforce Application in Duo Security](#)
4. [Enable Two-Factor Authentication in Dayforce](#)
5. [User Experience Using Two-Factor Authentication](#)
6. [Reset or Remove Users in Duo Security](#)
10. [Multifactor Authentication](#)
 1. [Configure Multifactor Authentication for Your Organization](#)
 1. [Manage Multifactor Authentication Users](#)
 1. [Exclude Users from Multifactor Authentication](#)
 2. [MFA Exemption by IP Address](#)
 1. [Delete MFA Exemption Rules](#)
 2. [First-Time Login with Dayforce Multifactor Authentication](#)
 1. [Set Up Multifactor Authentication Using the SMS Text Message or Voice Call Option](#)
 2. [Set Up Multifactor Authentication Using the Authenticator App Option](#)
 3. [Set Up Multifactor Authentication Using the Email Option](#)
 3. [Log in to Dayforce Using the Text Message or Voice Call Authentication Method](#)
 4. [Log in to Dayforce Using an Authenticator App](#)
 5. [Log in to Dayforce Using Email](#)
 6. [Update Your Multifactor Authentication Contact Information](#)
11. [IP Network Restrictions](#)
 1. [Add an IP Network Restriction](#)
12. [Password Policy UI](#)
13. [Restrict Clock Entries by IP Address](#)
14. [Restrict Dayforce Web Services by IP Address](#)
15. [Overview of Account Recovery Assistant](#)
 1. [Configure Account Recovery Assistant](#)
16. [Email Verification](#)
 1. [Enable Email Verification](#)
 2. [Uses of Email Verification](#)
 3. [Methods of Email Verification](#)
 4. [Content of the Email Verification Message](#)
 5. [Rejected Email Addresses](#)
 6. [Communicate About Email Verification to Users](#)
17. [Manage Your Linked Devices](#)
4. [Org Setup Configuration](#)
 1. [Configure Favorite Filters and Views for Org Units](#)
 2. [Organization Hierarchy](#)
 1. [Org Payroll Setup](#)
 1. [Employee Work Location Overrides](#)
 1. [Create Employee Work Location Overrides](#)

2. Org Payroll Setup > Legal Entity

1. The Address Tab

2. The Tax Authorities Tab

1. View, Add, or Refresh Tax Authorities
2. Columns in the Tax Authorities Tab by Country
3. Manually Add Taxes
4. Configure Tax Exempt Status for US Legal Entities
5. Tax Settings and Tax Qualifiers for Tax Authorities
6. Apply Supplemental Tax Method (US Only)
7. BC Employer Health Tax (BC EHT)
8. Configure Reduced Quebec Health Services Fund (HSF) Rates
9. Part XIII Tax
10. Employment Allowance and SER for Legal Entities
11. Specify Employee Tax Percentage for Washington Paid Family Leave

3. The Customer Funding Identifiers Tab

1. Suppress or Override "Payroll Check" in Non-ODC Printed Checks

4. The Employment Insurance Tab

5. The Workers Comp Tab

6. The Tax Remittance Tab

7. The YTD Amount Tab

 1. [Configure Countries for Employment Indicators](#)
 4. [Jobs and Job Assignments Tab Overview](#)
 5. [Create Jobs](#)
 1. [Job Settings](#)
 6. [Create Job Assignments](#)
 1. [Job Assignment Settings](#)
 7. [Delete Jobs and Job Assignments](#)
 8. [Copy Jobs and Job Assignments](#)
 9. [Workers Comp Setup](#)
 1. [Configure Workers Comp Codes](#)
6. [Position Management Configuration](#)
 1. [Position Management Overview](#)
 1. [Position Management Key Terms](#)
 2. [Access Configuration for Position Management](#)
 3. [Position Management Background Jobs](#)

2. Hybrid Position Management
3. Organization Designer
 1. Activate Organization Designer
 2. Search Organization Designer
 3. View Hierarchies by Date
 4. Rearrange Hierarchies in Organization Designer
 5. Review Audit Information
 6. Use Workflows with Position Management
 1. Step 1: Set Up Workflows
 2. Step 2: (Optional) Set Up Edit Modes
 1. Add Position Edit Modes
 3. Step 3: Configure Workflow Role Privileges
 4. Step 4: Enable Access to Positions
 7. Business Units
 1. Add Business Units
 1. Import Business Units
 2. Business Unit Settings
 3. Localize Business Unit Information
 4. Export Business Units
 8. Manage Positions
 1. Add Positions
 1. Copy Positions
 2. Generate Position Hierarchy Data
 3. Import Positions
 2. Pooled Positions
 1. Create a Pooled Position
 2. Update the Occupant Limit
 3. Position Settings
 4. Update a Position's Managing Position
 5. Configure Dotted-Line Relationships
 6. Freeze Positions
 7. Assign Employees as Position Occupants
 8. Manage Position Occupants
 9. Assign the Next Primary Location to an Occupant
 10. Employee Terminations and Position Assignments
 11. Transfer an Occupant to a New Primary Location
 12. Assign Interim Occupants to Positions
 13. Run the Position Occupancy Report
 14. Localize Position Information
 15. Export Positions
 16. Deactivate Positions
 17. Delete Positions

4. Manage Positions in People
 1. View the Position Hierarchy
 2. Work > Work Assignments
 1. View and Update Position Assignments
5. Position Management Self-Service Forms
 1. Use the Position Selector Control in Edit Mode
6. Recruiting with Position Management
 1. Use Positions as the Source for Job Requisition Descriptions
 2. Manage Job Requisitions for Positions
 3. Hire Candidates for Positions
7. Org Setup Import and Export Configuration
 1. The Import and Export Buttons
 2. Overview of the Export File
 3. File Requirements
 4. Overview of File Imports
 5. Import and Export Pay Grade Information
 1. Pay Grade Import Fields
 2. Pay Grade Rate Import Fields
 3. Pay Grade Org Differentials Import Fields
 6. Job Import Fields
 7. Job Assignment Import Fields
 8. Position Term Import Fields
 9. Department Import Fields
 10. Docket Import Fields
 11. Employment Indicator Import Fields
8. Pay Grade Configuration
 1. Rates Overview
 2. Create Pay Grades
 3. Create Rates
 4. Org Differentials
 1. Create Org Differentials
 5. Pay Grade Validation Overview
 1. Pay Grade Validation for Employment Status Records
 2. Pay Grade Validation for Work Assignment Records
9. Job Factor Point Configuration
 1. Create Job Grades
 2. Create Pay Grade Groups
 3. Create Job Factor Pay Grades
 4. Create Job Factors
 5. Record Job Factor Scores
 6. Define Jobs and Job Grades
 7. Define Bonus Grades

10. [HR Admin Configuration](#)
11. [Dayforce Safety Monitor](#)
 1. [COVID-19 Reports](#)

 2. [Run COVID-19 Reports](#)
 3. [Dayforce Safety Monitor Configuration](#)
 1. [Configure COVID-19 Employee Properties](#)
 1. [Add Location Options](#)
 2. [Update COVID-19 Question Options](#)
 3. [Define Role Security for COVID-19 Properties](#)
 2. [Create COVID-19 Custom Forms](#)
 1. [Assign Roles to Form Role Privileges](#)
12. [WGEA Reporting Configuration](#)
 1. [Configure WGEA Reporting Settings](#)
 2. [Generate the WGEA Report](#)
 3. [WGEA Report Fields](#)
 4. [Import and Export WGEA Configuration Data](#)
13. [Letter Management Configuration](#)
 1. [Letter Management Template Designer](#)
 1. [The Templates Tab](#)
 1. [Tokens in Templates](#)
 2. [Reusable Content in Templates](#)
 3. [Attachments in Templates](#)
 4. [Include Job Descriptions](#)
 5. [Letter Notification Language](#)
 6. [Create Letter Management Templates](#)
 7. [Delete Templates](#)
 8. [Copy Templates](#)
 2. [The Reusable Content Tab](#)
 1. [Text Editor and Tokens](#)
 2. [Create Reusable Content](#)
 3. [Delete or End-Date Reusable Content](#)
 4. [Copy Reusable Content](#)
 3. [The Attachments Tab](#)
 1. [Add Files in the Attachments Tab](#)
 2. [Delete Files in the Attachments Tab](#)
 4. [List of Employee Tokens](#)
 5. [List of Candidate Tokens](#)
 6. [List of Interview Tokens](#)

2. Configure Letter Management for Employee Letters
 1. Assign Letter Management Role Features
 2. Define Letter Management Sender Address
 3. Configure Letter Workflows
 1. Letter Workflows
 1. Create Letter Workflows
 2. Create Conditional Letter Workflows
 2. Enable Letter Workflows for Roles
 4. Configure Notification Workflows for Letter Responses
 1. Create Notification Workflows
 2. Configure the Employee Letter Communication Data HR Event
 5. Configure the Letter Attachments Document Type
 1. Define Role Access to the Letter Attachment Document Type
 2. Define Available File Types
 6. Configure Company Branding
 1. Theme Configuration
 1. Overview of Theme Colors
 2. Create New Themes
 3. Preview Themes
 2. Header Configuration
 1. Create New Headers
 3. Footer Configuration
 1. Create Footers
 4. Image Management
 1. Add Letter Images
 2. Note on Image Size
 5. Localize Branding Elements
 7. Configure the Letter Portal
 8. Configure Client Name in Letter Notifications
 9. Configure Decline and Rejection Reasons
 10. Configure E-Signature for Employee Letters
 1. Configure E-Signature Authentication
3. Configure Letter Management for Recruiting Offers
 1. Configure Recruiting Client Properties for Letter Management
 2. Configure Letter Management Sender Address
 3. Assign Offer Letter Role Features for Recruiting
 4. Configure Offer Letter Workflows
 1. Enable Candidate Offer Letter Workflows for Roles
 5. Configure the Candidate Offer Document Type
 1. Define Role Access to Candidate Offer Document Type
 2. Define Candidate Offer File Types
 3. Upload Candidate Offer Documents

6. [Configure Logo for Use in Offer Letter](#)
7. [Configure Client Name in Letter Notifications](#)
8. [Configure Recruiter and Candidate Offer Rejection Reasons](#)
9. [Candidate Offer Notifications](#)
10. [Configure E-Signatures for Letter Management Recruitment Offers](#)
 1. [Configure E-Signature Authentication](#)
4. [Configure Letter Management for Recruiting Emails](#)
5. [Configure Letter Management for Interview Requests](#)
14. [User Configuration](#)
 1. [View User Accounts](#)
 1. [Save Favorite Filters](#)
 2. [Manage Favorites](#)
 2. [Add User Accounts](#)
 3. [Edit User Accounts](#)
 1. [Reset Password and Email User](#)
 4. [User Account Settings](#)

 1. [Download System and Company Data Retention Policy Job Log Entries](#)
 5. [Personal Data Management Background Job](#)
 6. [Data Minimization Process](#)
 1. [Review and Manage Data Retention Policies](#)
 1. [Policies Tab Overview](#)
 1. [Filter the Policies List](#)
 1. [Save Favorite Filters](#)
 2. [Policy Association Tab Overview](#)
 3. [Change Personal Data Retention Periods](#)
 4. [Enable and Disable Personal Data Retention Policies](#)
 5. [Reset Personal Data Retention Policies to Default](#)
 6. [Add New Personal Data Retention Policies](#)
 1. [Add Data Retention Policies for a Country](#)
 7. [Export Data Retention Policy Details](#)
 2. [Enable the Background Job in Identify Only Mode](#)
 3. [Data Validation Errors Review](#)
 1. [Data Validation Error Messages](#)
 2. [Change the Validation Errors View Settings](#)
 3. [Filter the List of Validation Errors](#)
 4. [Review Identified People and Approve Their Data for Deletion](#)
 1. [Review Identified People](#)

1. View Settings for the Review and Approve List
 2. Filter the Review and Approve List
 2. Run Validation for Identified People
 1. Validation Issues for People with WFM Data
 3. Approvals for Personal Data Removal
 1. Approve Deletion Using Manual Approval
 2. Enable Auto Approval for Personal Data Deletion
 3. Remove Approval
 4. Export the Review And Approve List
5. Enable the Background Job in Identify and Delete Mode
6. Review the Data Minimization History
 1. Export the History List
7. Data Minimization Exemptions
 1. Change the Exemptions Tab View Settings
 2. Filter the Exemptions List
 3. Add People to the Exemptions List
 4. Remove People from the Exemptions List
 5. Export the Exemptions List
8. Erase Personal Data Records by Request
 1. Add People to the Erase Queue
 2. Review the Erase History
 3. Export Erase Data
9. Personal Data Management Reports
 1. Policy Association Reports
 2. Data Minimization Activity Reports
10. Assign Personal Data Management Types to Employee Properties
16. Dayforce Web Services Reference
 1. Dayforce Developer Network (DDN)
17. Employee Administration
18. Benefits Configuration
 1. Benefits User Roles and Payroll Integration
 1. Benefits Role Features
 1. Benefits in the People Feature
 2. Assign Benefits Role Authorizations
 3. Payroll Configuration for Benefits Integration
 1. Payroll Earnings and Deductions
 2. Payroll Deferred Compensation Plans
 3. Pay Calendars
 4. Payroll Election Effective Dates
 2. Benefits Setup
 1. Plan Carriers
 1. Add Plan Carriers

2. Eligibility Qualifiers
 1. Simple Eligibility Qualifiers
 1. Add Simple Eligibility Qualifiers
 2. Complex Eligibility Qualifiers
 1. Add Complex Eligibility Qualifiers
 3. Test Eligibility
3. Flex Credit Benefits
 1. Flex Credit Plans
 1. Add Flex Credit Plans
 2. Configure Flex Credit Plan Details
 3. Configure Proration Rules for Flex Credit Plans
 4. Flex Credit Plan Tiers
 1. Add Tiers to Flex Credit Plans
 2. Configure Flex Credit Amounts and Participant Rules
 2. Flex Credit Order
 1. Add Flex Credit Order
4. Plans and Options
 1. Plan Attributes
 2. Manage Plans and Options
 1. Add Plans
 2. Add Options
 3. Delete Plans and Options
 3. Waive Options
 4. Health Plans
 1. General Health Plan Settings
